

OK! HOT GUY

NOLAN GERARD FUNK

Nickelodeon's *Spectacular!* star shares his secrets — and phone number

He's more than just the next Zac Efron.

"Nobody but Zac Efron can be Zac Efron," says Nolan, 22. "It's flattering that people compare us, but I'm definitely my own type of artist."

He's another sexy import.

After living in L.A. the past couple of years, the Canadian-born singer and actor admits, "I grew up in so much rain, I hated it. L.A. is perfect because I like sunshine."

He wanted to win an Olympic gold medal.

"As a kid, I was determined to go to the Olympics," Nolan tells OK!. "I was a national gymnast, so you'll see me do a few backflips in *Spectacular!*"

He wants a girl who can bake.

"I love good food," the Nickelodeon star says. "Nothing is hotter than when a girl wants to cook for me. If she can make me chocolate cake, it's a done deal. I'm hers."

He phones his fans.

"Fans have become really important to me," Nolan says. He keeps a special phone number, 818-748-9076, for admirers who want to reach him: "I've been traveling a lot, but I love being able to call some of them." **OK!**
